

The highly ergonomic full HD magnifier from BAUM

Thanks to an adjustable screen and four different camera positions, Visio 500 is the best and most ergonomic solution for working at home, school, or at work. With its 22" monitor and full HD camera with 30 times optical zoom, Visio 500 provides a crisp, clear picture. Continuous automatic focus, image optimization, and a variety of contrasting color combinations add the finishing touches to the magnified picture. Visio 500 features high-quality images, intuitive operation, a modern design, cutting edge technology, and quality "Made in Germany".

- Optimized ergonomics
- Intuitive operation
- Full HD camera and resolution
- Maximum flexibility through adjustable screen and camera with electrically switchable positions
